# ThinPots

Thinpots are designed to hang on the façade of your Thintank to create a vertical garden.

Thinpots will take your rainwater tank to the next level!

With 4 different colours to choose from:

Surf Mist

Merino

Slate Grey

Monument

## Choose from 12 different tank colours

DISCLAIMER: Actual colours may vary. We try extremely hard to ensure our photos are as life-like as possible, but please understand the actual colour may vary slightly from your monitor and everyone can see these colours differently. We cannot guarantee that the colour you see accurately portrays the true colour of the product.

Our Range are the thinnest & strongest available water tanks in the industry. Designed to be positioned anywhere.

Our slimline Rainwater Storage Tanks are proudly Australian Designed, Owned and Manufactured.

Manufactured from high-quality food-grade, UV stabilised polyethylene & FEA Tested.

Quick & Easy installation single Thintank storage solution or in an array of Thintanks.

**WARRANTY** Thintanks warrants its tanks by pro-rata warranty for 10 years from the original date of purchase. This warranty covers the original purchaser only and is not transferable. Thintanks will repair or replace at its discretion the tank affected by a defect or fault caused by the manufacturing process or materials. Fading or colour change, damage caused by accidents or misuse, do it yourself repairs or incorrect installation, and any subsequential costs (including freight of replacement tank) are not covered by this warranty.
